

A LITTLE DANDERINE WILL MAKE YOUR HAIR LUSTROUS, SOFT, FLUFFY, ABUNDANT

Get a 25 Cent Bottle Now and Forever Stop Falling Hair, Itching Scalp and Dandruff

If you Wish to Double the Beauty of your Hair in Ten Minutes surely Try a Danderine Hair Cleanse

Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a Danderine hair cleanse. Just try this—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt and excessive oil and in just a few moments you have doubled the beauty of your hair.

A delightful surprise awaits particularly those who have been careless, whose hair has been neglected or is scraggy, faded, dry, brittle or thin. Besides beautifying the hair at once, Danderine dissolves every particle of dandruff, cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair.

Try as you will, after one application of Danderine you cannot find any dandruff or a loose or falling hair, and your scalp will never itch, but what will please you most will be after a few weeks' use when you will actually see new hair—fine and downy at first—yes—but really new hair sprouting all over the scalp. Danderine makes the hair grow long, heavy and luxuriant and we can prove it. If you care for pretty, soft hair and lots of it surely get a 25 cent bottle of Knowlton's Danderine from any druggist or toilet counter, and just try it.

Stockholder Withdraws Charges.
Chicago, Nov. 8.—Charges of mismanagement in the Pullman company in the purchasing of supplies, made recently by Thomas F. Ellett, a stockholder, were withdrawn at the annual meeting by Ellett, who said he had made a personal investigation and found he had been mistaken.

NO EMPLOYMENT FOR MEN OVER 40

A Few Gray Hairs Bar Him From Getting a New Place if He Loses His Job, Says Arthur E. Holden to Employers Liability and Workmen's Compensation Commission—Railroad Attorneys Also Heard.

Washington, Nov. 8.—That a man cannot get a new position after he is forty years old was asserted before the employers' liability and workmen's compensation commission today by Arthur E. Holden of the American Federation of Labor. He had been speaking of the satisfactory operation of the British compensation act of 1906, which recently he had visited, when a question was asked as to its effect on the employment of men of advanced age.

Marked Discrimination Against Aged.
In reply, Mr. Holden said that regardless of this law there was a marked discrimination against the aged in Great Britain, but throughout the industrial world. "The man who is over forty and who has a few gray hairs cannot get back when once he loses his job, but he can hold on if he has a place," he said. "It is the same here that it is in England, and it is the same in Germany and throughout the continent."

Due to Economic Conditions.
This condition was not due, said Mr. Holden, to any legislation, but was the result of economic conditions. He came of the determination to get the greatest possible product out of the human being employed by others.

No Death Benefit Less Than \$5,000.
With reference to the extent of the compensation for death or injuries, Mr.

Holden said he thought the law should grant "all that the traffic will bear." He declared no death benefits should be less than \$5,000 and that no injury award less than a dollar a day, regardless of the ordinary compensation of the injured employee.

Railroad Men Endorse Plan.
Half a dozen other representatives of the railroad workmen spoke and all endorsed the general plan of the commission and most of them expressed themselves as satisfied with the details, so far as they have been worked out.

New York Central Attorney Pleads.
Robert J. Carr, an attorney of the New York Central, made an appeal for a moderate law which would not require a greater aggregate insurance fund than now is expended by the railroad.

Atchison Road's Attorney.
Gardiner Lathrop, an attorney of the Atchison, Topeka & Santa Fe railroad, advocated the extension of the terms of the proposed law to other industries than the railroads, declaring that the railroads had made the object of so much legislative attack as to render it difficult for them to pay necessary operating expenses and a fair dividend. Mr. Lathrop advocated the elective rather than the compulsory plan which he said a large majority of the roads preferred.

RAPID PROGRESS ON THE PANAMA CANAL
Excavation at Culebra Cut Three-Quarters Done at 58.8 Cents a Yard.

Washington, Nov. 8.—The great mechanical problems connected with the construction of the Panama canal, which is to be opened to the government in January, 1915, pass in review in the annual report of the isthmian canal commission just made public. The record of the year's achievements in the gigantic task that is being worked out by the Washington government, under congressional appropriations that so far aggregate \$293,461,488, includes:

Completion of almost three-quarters of Culebra cut. Total excavation of material from Culebra during year, 18,221,672 cubic yards, at average cost of 58.8 cents per yard.

Big plans laid for canal terminals, including storage of fuel, fresh water and other supplies, repair facilities, etc. Pacific terminal to have dry dock, storehouse and coaling stations. Practical completion of plans of all locks. Elaborate scheme for lighting the canal, safeguarding of the canal against big landslides.

A floating caisson gate is being installed for use in closing a lock so as to enable workmen to repair the permanent locks and the bottom sluices.

Canal illumination will be provided by range lights for establishing the direction of vessels on the longer tangents, and by side lights a mile apart marking each side of the channel. Buoys and lighted beacons, built of reinforced concrete, will abound. The total appropriations made by congress leave \$81,823,337 of the estimated cost of canal yet to be appropriated.

For the first time, no contract laborers were brought to the isthmus during the year. There was a decided falling off in immigration, while many West Indian laborers have gone into the canal and can no longer be relied on for steady work.

BOUGHT MOTORCYCLE WITH STOLEN MONEY.
Durham Youth Confesses a Recent Burglary.

Durham, Conn., Nov. 8.—The purchase of a motorcycle for \$150 by Clarence T. Brown, 20 years old, led to his arrest today and subsequent confession that last Sunday he entered the home of Chester H. Clark here and stole \$300. He was brought before a justice of the peace, who bound him over to the superior court under \$1,000, which he was unable to furnish, and he was taken to Haddam jail.

WILLIAM S. CONDON NOMINATED FOR MAYOR.
Republicans Have Hard Time Getting a Candidate for the Office.

Willimantic, Nov. 8.—Never in the history of the city of Willimantic, since its incorporation, did the republicans hold a caucus the like of the one held Wednesday evening in the Town hall. It was a record breaker in several ways, chief of which was the number of nominations and decisions for the office of mayor; another, the general lack of enthusiasm; and a third the slim attendance, there being less than ninety electors present. For more than two hours the caucus was unable to obtain a candidate for mayor, and no less than a couple of scores declined the honor that was almost thrust upon them. Six informal ballots were taken without arriving at anything definite in the form of a nominee for mayor. If ever an office went begging, the nomination for the office of mayor of Willimantic at the hands of the republicans, it did Wednesday evening, and interest appeared to decrease after repeated ballots.

Wade U. Webster, chairman of the republican city committee, called the caucus to order at 8 o'clock. Judge W. O. Arnold was chosen chairman, and Charles F. Risegord clerk. The latter read the call and nominations for mayor were called for without any result. It was finally voted after forty minutes of balloting to go on with the nominations for the remainder of the ticket, which resulted as follows:

First alderman at large, William B. Harrington; second alderman at large, William E. Webber; city clerk, John B. Edgarton; city treasurer, John B. Edgarton; first assessor, Alphonse Chagnon; second assessor, William E. Clark; auditor, Charles S. Boss; city sheriff, Frank L. Powell.

Informal balloting for mayor was then resumed, and among those to be tendered the nomination, only to decline most emphatically, were Alderman C. C. Case, Frank R. Jackson, William B. Harrington, Frank Larabee, Samuel Chesbro, ex-Mayor D. C. Barrows, ex-Alderman A. L. Gellinas, ex-Alderman William A. Dawson, Charles A. Gates, ex-corporator George A. Bartlett, ex-First Selectmen S. Arnold Peckham and James N. Smith, ex-Alderman Frank M. Smith, Judge William A. Arnold, ex-Alderman General King, Fire Chief Wade U. Webster, Registrar John C. Barstow, Alderman E. F. Whitmore, George S. Elliott, Albert E. Gahner, attorney Charles A. Capen, besides numerous nominees who were tendered a number of votes. At last Corporation Counsel King said that he had been approached by a young man who had the courage to accept the nomination if tendered him. He placed in nomination the name of William S. Condon, urging that the republicans stand behind him because of his brave stand in the matter. Mr. Condon's nomination was seconded and made unanimous. It was voted that the city committee be empowered to fill any vacancies that might occur.

The ward caucuses were then held, resulting as follows:

First ward—Alderman, C. C. Case; ward committee, A. C. Gellinas, Judge James A. Shea, George S. Elliott and Elmer M. Young.

Second ward—Alderman, Frank B. Jackson; ward committee, Judge William A. Arnold, William S. Condon, P. W. Gerriek, Frank L. Powell and Alphonse Chagnon.

Third ward—Alderman, Frank L. Williams; ward committee, J. M. Smith, Marvin W. Hall, Louis Babcock.

Fourth ward—Alderman, William E. Clark; committee, William S. Dutton, E. W. Jacobs, David Peacock, C. B. Pomeroy.

The latter was the only ward in which there was a contest for alderman, there being four candidates—C. E. Pomeroy, William E. Clark, Willard W. Hayden and E. W. Jacobs. Adjournment was taken at 10:20 p. m.

Nominations by Socialists.
Willimantic, Nov. 8.—The socialists held a caucus Wednesday evening and made the following nominations: Mayor, Leonard H. Bristol; First ward, George S. Elliott; Second ward, alderman, L. E. Plaisted; Third ward, alderman, James E. Newton; Fourth ward alderman, James E. Newton; alderman at large, J. E. Carey and A. A. Burton; assessors, William C. Dreschler and Dennis McCarthy; city sheriff, A. A. Burton; city clerk, James E. Newton; city treasurer, James E. Newton.

School Committee Meeting Postponed.
Willimantic, Nov. 8.—The regular monthly meeting of the town school committee, which was to have been held Wednesday evening in the rooms of the board of selectmen, was postponed until Friday evening, because of the socialist caucus.

Saloons Must Close at 10 P. M.
Danielson, Nov. 8.—A petition from the licensed liquor dealers of Danielson to the selectmen of the town asking that the saloons be allowed to keep open until 11 o'clock instead of closing at 10 p. m., as they must do without a special vote of the board, was not acted upon finally at the regular monthly meeting held Wednesday, so the places must close at 10 o'clock, at least until some action is taken, which will probably be at a special meeting of the selectmen to be held Saturday.
